

CIGAR BOX GUITAR TABLATURE

PRESENTED BY [C. B. GITTY](#) AND [THE SOUTHBOUND STRING COMPANY](#)

Oh When the Saints (Go Marching In)

Arranged for 3-string fretted cigar box guitar tuned to Open G GDG.

This song is one of the best known of the African American spirituals. It was first recorded by Louis Armstrong back in 1938 and has been recorded many times since then, both in the gospel style and also as more jazzy, bluesy and rock-and-roll numbers. Check out the [Wikipedia article](#) for more historical info on the song as well as many more verses. We present both a lower and higher version here. It can be a nice effect to switch from the low to the high version (or vice versa) if playing multiple verses, for variety.

Low Version

G	D			
Oh when the saints go marching in, oh when the saints go mar---ching in....				
G	C	G	D	G
Oh lord I want to be in that num-ber, when the saints go marching in.				

High Version

G	D			
Oh when the saints go marching in, oh when the saints go mar---ching in....				
G	C	G	D	G
Oh lord I want to be in that num-ber, when the saints go marching in.				

We hope you are able to make great music from this cigar box guitar tablature!
