

CIGAR BOX GUITAR TABLATURE

Presented by [C. B. Gitty](#) and [The Southbound String Company](#)

Twinkle Twinkle Little Star

Arranged for 3-string fretted cigar box guitar tuned to Open G GDG.

This well-known children's song has a very simple melody and is a good one for starting to get used to reading tablature and playing a 3-string cigar box guitar. The tablature below shows both the melody line (all on the "top" highest-pitched G string) and the accompanying chord fingerings. The letters above the tablature line are the chords that correspond to the melody, for strumming along.

We have included the words from the song to help you match up the tablature to the words/rhythm of the song.
