

CIGAR BOX GUITAR TABLATURE

PRESENTED BY [C. B. GITTY](#) AND [THE SOUTHBOUND STRING COMPANY](#)

She'll be Comin' Round the Mountain

Arranged for 3-string fretted cigar box guitar tuned to Open G GDG.

This classic American song is fun to play and sing. Originally based on an African American spiritual about the end of the world, the lyrics were changed sometime in the late 1800's and today it is usually considered a children's song. It has a nice simple melody line and is easy to play on the cigar box guitar! See the song's [Wikipedia entry](#) for more history and verses.
