Blowin' In The Wind [G-Bass Tablature]

Written by Bob Dylan. Arrangement by Glenn Watt.
For **2-string Bass with "GD" Tuning**. Arranged in the Key of G.

```
    G           C               G           C
D 5——0—————————————————————5——0——————5——2—4—5——0—————————————————
G ——————————5————————0————————————————————————————————————5——————0——————

  How many roads must a man walk down   before you call him

      G               C           G
D ——5————0—5—0—5———0——————————————5————————0————5————0————5————————0——————
G ————————————————————————5————————0—————————————————————————————————————

  a man?      How many seas must a white dove sail   before she

  C           D           G       C           G
D ——————————————0—————————0—2—4—5————0——————————————5————0————————
G 5————————0———————————————2—————————————————5———————0——————————————

  sleeps in the sand?       How many times must the cannonballs

  G               C       G           C           D
D 5——0————5————0——————————————————0————————0—2—4——————————————0——————
G ——————————————————————5————0——————————2————————————5———0——————————————

  fly  before they're for-ever banned?       The answer my friend

          G           C                       D           G
D ——————————5————2———0————————————————————————————0——————————5————0—5——
G 2—————————————————————————————5————0————5————0——————————————2——————————

    is blowin' in the wind, the answer is blowin' in the wind.
```

Additional Lyrics

Yes, 'n' how many years can a mountain exist
Before it's washed to the sea?
Yes, 'n' how many years can some people exist
Before they're allowed to be free?
Yes, 'n' how many times can a man turn his head
And pretend that he just doesn't see?
The answer, my friend, is blowin' in the wind
The answer is blowin' in the wind

Yes, 'n' how many times must a man look up
Before he can see the sky?
Yes, 'n' how many ears must one man have
Before he can hear people cry?
Yes, 'n' how many deaths will it take till he knows
That too many people have died?
The answer, my friend, is blowin' in the wind
The answer is blowin' in the wind
